A song of ice and fire board game rules

A Song of Ice & Fire: Tabletop Miniatures Game Lead the Starks or Lannisters into battle using amazing preassembled miniatures based on the characters of the best-selling novels! 9,040 backers pledged \$1,690,466 to help bring this project to life. Last updated July 22, 2020 Support Jul 25, 2017 - Aug 15, 2017 (21 days) posted by Steve CMON (apparently, we're not allowed to call them Cool Mini Or Not anymore and must refer to them as See-Mon) have announced a new tabletop miniatures war game based on George R R Martin's A Song of Ice and Fire series. A Song of Ice & Fire Fantasy Miniatures Game will create a rank and file miniatures game based on the series made famous by A Game of Thrones. Miniatures will use movement trays to manoeuvre around the battlefield and all your favourite characters from the books will no doubt make an appearance. Details regarding the rules system is rather light at this point but we've been led to believe the system has been designed by Eric Lang, who was also announced as being now permanently employed by CMON, and if I am not mistaken this is his first miniatures wargame. All we do know is listed on CMON's announcement page: Battles can range from large-scale wars with hundreds of miniatures, to simple skirmishes between a few units without complicating the elegantly designed rules. The game features several unique systems, including alternating activations that keep the players engaged; a Rank System that changes a unit's capabilities as the battle rages on; a Tactics System that provides strategic powers fuelled by a finite resource each round; and, most importantly, the iconic Heroes, such as Robb Stark and Jaime Lannister, that can change the course of war both on and off the battlefield. The game was announced at GAMA Trade show and there have been plenty of images of the prototype miniatures showing up and I must admit they do look pretty sweet. If you've been a visitor to Salute they may look a little familiar as the game has been developed in conjunction with Dark Sword Miniatures, who have been showing off their George R.R. Martin Masterworks range of miniatures at the London wargames show for some time. The starter box for A Song of Ice & Fire Fantasy Miniatures Game will feature Stark versus Lannister and will be coming to Kickstarter sometime in 2017. Εμφάνιση 1 έως 32 από 32 (1 Σελ.)
